Subject: travel charts for RA
Attachments: Potential Travel Opportunities for RA 2018.rtf; Potential Travel Opportunities for RA 2018-updated.rtf

Betsy

I have attached 2 copies of the RA travel chart – the original you have and an updated which includes Rebecca, David and Fran's reuse opportunities (only 2 are known at this point Libby and CO smelter and they aren't even confirmed yet).

Hope this gives you something to work with!

Sandy
